

CEDARS-SINAI OB ROTATION

Call Schedules – If you have a call request, please contact Janice Hawk at jhawk@ladhs.org or by phone at (310) 668-3572, by the 5th of the preceding month. Ms. Hawk would like to be given the following info: resident's name, dates of rotation, e-mail address, pager and cell/home phone #, requested times/days off.

She will send all the requests to Roya Yumul, M.D., Ph.D., Program Director for the King Drew residency, who is doing the call schedule for everyone rotating at Cedars now that the King Drew residents are all finishing up their 2006-07 year at Cedars.

Orientation Manual and Video – available on Dr. Ramanathan's website, www.ramanathans.com. Please review the manual before your rotation for information on where to go the first day and important phone numbers.

OB pre-quiz and study guide – You will need to register on Dr. Ramanathan's website to have access to the questions. Please do the quiz early in the rotation so that Dr. Ramanathan can get the results. The test can be done on paper or online. There is also a post-quiz for you to do at the end of the rotation.

Parking - Park at lot 4 the first day you get there (corner of shelbourne and 3rd) and bring your parking ticket to the parking office for validation.
